NCEA: Please send me any more names that need to be added, as well as a video location for RTP. - Nathan

Tom would like a briefing. Please work with Nathan (cc'd) to set up a briefing for 45 min for next Tuesday (likely by video is fine). Please send a briefing package to Nathan, Anna, Kacee and myself by 3pm on Friday and include in the briefing package slides and a concise fact sheet that he can review in advance. I would expect no more than 12 or so slides with a clear bottom line slide at the end, so that Tom and Bob will have time for questions and discussion with the team. Ideally, they will be able to review in advance so the presentation can just be a quick overview.

Nathan, once you have the list of folks and locations from NCEA (may be those on this email only?), please try to find a time for Tom and Bob to be briefed. Tom is key, Bob and Lek if available. I would also include Lynn Flowers, myself, Kacee, and Vik.

Thanks!

Maureen
